

Pop Up Centre Rules & Guidelines

<Your Logo here> You Space Name here

- All Pop Up displays must be of a high standard of presentation with professionally printed signage and a high level of visual merchandising. No rubbish or excess stock should be visible to customers. Coffee cups, water bottles and food should not be visible to customers. All displays are subject to approval from the Centre Pop Up Sales Executive.
- All products being displayed and sold must be approved by the Centre Pop Up Sales Executive, any variation to the approved product usage detailed in the Booking Confirmation Form must be approved prior to it being displayed. Items not approved will be removed from display.
- Please ensure your display is within the agreed site dimensions. All staff must remain within the licenced area.
- Bump in and out must take place outside of the Centre trading hours. Please contact Centre Security prior to arrival to confirm access to the Centre. The loading dock can be used for transporting stock using your own trolley or transport equipment. Supermarket trolleys are not to be used for transporting stock at any time.
- The security of the site is your responsibility to secure and protect against theft. Please ensure your site is kept safe and secure, and contact Centre Security if you have any safety concerns. We may enter the site for any purpose concerning the security of the licenced area.
- If Centre supplied equipment has been approved, it must be kept clean and returned in good condition. Any damage or loss of equipment may result in make good charges. If you are bringing your own equipment, please take good care of these items and ensure they are safely secured to the site.
- To ensure our customers have a pleasant experience, please do not directly approach customers in a confrontational manner or make physical contact with customers. Please engage with customers only after eye contact has been made, and do not attempt to engage after a customer expresses that they are not interested. Staff should be well presented and approachable and be able to provide customers a receipt on request for any sale made in the Centre. Please avoid eating and drinking in the licenced area. Smoking is not permitted in the licenced area.
- If any goods spill or fall into the mall, please clean them up as soon as possible. If goods spill into the mall area, and it is not quickly rectified, you will indemnify us against any claims which may be made against us, and you will be in breach of your licence agreement.
- Please do not obstruct the free movement of customers in walkways, entrances, shopfronts, service corridors or fire exits. Please also be mindful of our other retailers in the Centre, surrounding stores should not be able to hear you calling out to customers. Any music or audio should only at a sound level that is inaudible outside of your licenced area.
- To maximise trade and ensure customers can find you, please ensure you are open during the Centre's core trading hours unless an unmanned static display has been arranged with the Centre Sales Executive prior to commencement of your booking.
- To ensure the safety of our customers, please ensure all electrical leads are secured to the floor. For easy installation and removal, we recommend a cable protector or anti-slip mat to cover your leads and cables. All electrical equipment must be tagged and tested by a licenced electrician to meet Australian standards 3000 wiring rule requirements. Please turn off your power outside of centre trading hours.
- Vehicles must be set-up prior to 7.30am or as agreed with the Centre Pop Up Sales Executive. Please ensure that all vehicles have a drip tray, mats for each tyre, vehicle batteries are disconnected and there is a minimal amount of fuel in the fuel tank. Tyre shine is not to be used prior to bump in. A set of keys must be left at Centre Management Office.
- Please assist us by following the Centre's rubbish and recycling procedures. Please do not burn any rubbish or material at the Centre. At the end of your booking, please leave your site in a clean and tidy condition.
- You must get our consent before you use any picture or likeness of the Centre or the Site for an advertisement (except as your address or place of business).

Pop Up Centre Rules & Guidelines

- Please use all centre facilities safely and appropriately. Please do not deposit any rubbish or material in any of the common area facilities, the loading docks have recycling systems available for your use. If you need additional cooling or heating on the site, please contact the Centre Sales Executive. The licenced area should not be used for preparation or cooking of food unless agreed as part of your licence agreement. Goods elevators are available to carry bulky or large goods and equipment, please do not use any trolleys on escalators.
- We may issue any car parking rules that we think promote or improve the convenience and use of the common area by customers and invitees of the Centre. Our car parking rules may cover:
 - policing the car parking areas.
 - changing car parking arrangements, including restricting parking.
 - closing all or any part of the car park at any time; and discouraging non-customer parking.
 - Please contact the Centre Pop Up Sales Executive to confirm the parking arrangements available for staff and customers.
- You must ensure you are fully aware of all safety and emergency procedures and follow directions if there is a fire or emergency drill. If you are aware of a risk or danger in any part of the Centre, please contact Centre Security immediately.
- Temporary and mobile food premises, including market and festival stalls, food vans, food trucks or trailers must provide to the Centre Pop Up Sales Executive, prior to commencement of booking: -
 - Current registration of vehicle (food van, truck, trailer, caravan)
 - Current certificate of registration of food premises with nominated council
 - Approval in writing from nominated council to sell food e.g., Street Trader registration
 - Current food handling certificate
 - Nomination of food safety supervisor if required
 - Menu of items to be sold from licenced area
 - Detailed list of items stored in the licenced area for approval by Pop Up Sales Executive e.g., oil, gas bottles

All items must be presented when requested by the Centre Management team or Pop Up Sales Executive during your booking at the Centre.
